

Fast Track course

The quickest way for your drivers to develop and become a qualified advanced driver

Designed for both individual motorists and fleet drivers the Fast Track course contains everything required to take and pass our advanced driving test and become a full member of the IAM.

Our course is fully inclusive and provides the advanced driver course manual, two half days dedicated one-to-one tuition with a professional IAM RoadSmart trainer, IAM membership and the test booking.

This efficient one-to-one format does require the driver to commit to plenty of practice and personal development between the two training sessions.

As well as gaining recognition for your skills, once qualified drivers feel more skilled, confident and safer on the road and for those who drive for a living an Advanced Driver qualification can enhance your CV.

Vehicle types	Car
Format	On road
Duration	2 half days + test
Trainer to delegate ratio	1:1

How can Fast Track Advanced Driver benefit me?

Fast Track delivers professional one-to-one training and guidance to enable anyone to attain advanced driver standard with us, quickly and efficiently

You'll receive expert personal tuition with drives in your own car and you may even get insurance benefits too.

- Enhanced positive driver behaviours that lead to safer driving
- Can positively influence fuel consumption, accident rates and fleet costs
- How to maintain safely while improving efficiency
- Perfect for fleet drivers – minimum time away from normal work duties
- Nationally recognised driving qualification
- Full membership of the IAM, providing a range of motoring benefits

Delegates and their managers receive a driver development report and feedback after the course.

Why choose us?

The IAM RoadSmart team of experts develop the skills of drivers and riders through recognised training and offer friendly advice and support.

At IAM RoadSmart, we've been making better drivers and riders since 1956. As a registered UK charity, our aim has remained the same over 60 years - to make our roads safer by improving the skills of drivers and riders.

Every year, we work with thousands of company drivers, of any age and ability. Our services are designed to teach new skills, improve existing ones and provide confidence and knowledge to get the most from being on the road.
